

# Table of Contents

---

<b>Chapter 1: User Guide .....</b>	<b>1</b>
Purpose and Source.....	1
Introduction.....	1
How to Use This Document .....	2
Description.....	2
Recommended Process .....	2
What this Document is Not.....	2
<b>Chapter 2: Introduction to Autism.....</b>	<b>3</b>
What is Autism or Autism Spectrum Disorder? .....	3
<b>Chapter 3: Defining Autism</b>	
Pervasive Developmental Disorders Categories .....	5
Categories and diagnostic Criterias.....	5
Other members of the PDD Category.....	6
Individuals with Disabilities Education Act (IDEA) .....	7
Washington State.....	7
Diagnostic and Statistical Manual of Mental Disorders, IV TR .....	8
<b>Chapter 4: Medical Aspects.....</b>	<b>9</b>
Screening and Diagnosis.....	9
School-age Diagnosis.....	11
Diagnostics and Screening Instruments.....	12
Diagnostic Tools .....	12
Asperger Syndrome Diagnostic Scale (ASDS).....	12
Autism Diagnostic Interview-Revised (ADI-R) .....	12
Autism Diagnostic Observation Scale (ADOS) .....	12
Gilliam Autism Rating Scale (GARS).....	12
Screening Tools .....	12
Autism Behavior Checklist (ABC).....	12
Autism Screening Instrument of Educational Planning.....	12
Checklist for Autism in Toddlers (CHAT).....	13
Modified Checklist for Autism in Toddlers (M-CHAT).....	13
Pervasive Developmental Disorder Screening Test (PDDST).....	13
Psychoeducational Profile-Revised (PEP-R).....	13
Adolescent and Adult Psychoeducational Profile (AAPEP) .....	13
Functional Assessments.....	13
Real Life Rating Scale .....	13
Promotional Training Programs.....	13
First Signs Program .....	14
Learn the Signs, Act Early.....	14
American Academy of Pediatrics (AAP) Toolkit.....	15
Medical Intervention for Individuals with ASD .....	15
What is a Medical Home? .....	15
Treatment Goals.....	15
Medical Areas to be Addressed .....	16
Accidental Injury .....	16
Aggression.....	16
Anxiety.....	16
Attention Deficit/Hyperactivity Signs and Symptoms.....	16
Dental Care .....	16

Elopement (Wandering) .....	17
Feeding/Nutrition.....	17
Mood Disorder .....	18
Obsessive/Compulsive and Severe ritualistic Patterned Behavior .....	18
Puberty.....	18
Psychiatric disorders .....	18
Seizures .....	19
Self-Injurious Behavior.....	19
Sensory Issues.....	19
Sleep .....	19
Stereotypies .....	19
Tics .....	20
Medications .....	20
Alternative and Complementary Therapies .....	20
<b>Chapter 5: Essential Components of Instruction.....</b>	<b>21</b>
Considerations.....	21
Learning Styles of Individuals with ASD.....	22
Purpose of Assessment.....	23
Aspects of a Learning Environment.....	23
Focus of Interventions - All Ages .....	24
Attention.....	24
Imitation .....	24
Communication .....	24
Socialization.....	25
Cognition .....	25
Purposeful Play/Recreation/Leisure/Physical Exercise.....	25
Self-Determination.....	26
Essential Life Skills .....	26
Transition.....	26
Sexuality .....	26
Behavior.....	27
Description of Teaching Strategies and Methodologies: Data Driven .....	27
Applied Behavior Analysis .....	27
Comprehensive Autism Planning System (CAPS).....	27
Discrete Trial Training.....	28
Social Thinking.....	28
TEACCH.....	29
Communication .....	29
Common Communication Options .....	30
<b>Chapter 6: Essential Components of an Instructional Program.....</b>	<b>31</b>
Essential Component 1: Family Involvement .....	31
Effective Communication.....	32
Team Process .....	33
Information and Advocacy.....	33
Essential Component 2: Earliest Intervention.....	33
Essential Component 3: Intensity .....	34
Essential Component 4: Predictability and Structure .....	34
Essential Component 5: Generalization of Skills.....	35
Essential Component 6: Functional Analysis of Behaviors.....	36
Behaviors Serve a Function .....	36
Functional Analysis of Behavior and Behavior Interventions.....	37
Behaviors Change Over Time.....	37

Influences on Behavior.....	38
Positive Behavior Support.....	38
Behaviors Require Brainstorming and Teamwork.....	39
Essential Component 7—Communication .....	40
Modifications .....	41
Strategies.....	41
Essential Component 8—Assistive Technology.....	41
“No” Tech Tools.....	42
Low Tech Supports.....	42
Mid Tech Tools.....	42
High Tech Tools.....	43
Essential Component 9—Sensory Motor Processing.....	43
Essential Component 10—Social, Emotional, and Sensory Regulation (Modulation) .....	44
Essential Component 11—Social Development .....	45
Essential Component 12—Inclusion with Typically Developing Peers.....	47
Essential Component 13—Progress Monitoring .....	48
Essential Component 14—Supported Transitions Across Multiple Environments.....	48
Transition Overview .....	48
Essential Component 15—Sexuality .....	49
Common Concerns Regarding Sexuality and ASD .....	50
Sexuality Teaching Techniques.....	51
Essential Component 16—Lifelong Support.....	52
<b>Chapter 7: Community Transition .....</b>	<b>53</b>
School to Adulthood.....	54
Overview .....	54
Components to Achieve.....	54
Middle School: Start Transition Planning.....	55
High School: Define Career and Vocational Goals.....	55
Elements Not to be Overlooked .....	55
Education and Training Prior to Employment.....	56
Practical Tips for Transitions to Work after High School .....	56
Getting Prepared.....	56
Reaching Out.....	58
Identifying and Maintaining Supports.....	59
Strategies.....	59
Other Issues to Consider.....	60
Practical Tips for Transitioning to Post Secondary Education after High School.....	61
Important Considerations For Postsecondary Transition.....	61
<b>Chapter 8: Beyond Academics—Future Planning Issues.....</b>	<b>63</b>
Quality of Life.....	63
Lifestyle Planning—Written Instructions .....	64
Personal Futures Planning .....	64
Establishing an Advisory Team.....	65
Guardianship .....	65
Estate Planning .....	66
Establishing a Trust.....	66
<b>Chapter 9: Autism Awareness Training in the Community .....</b>	<b>67</b>
<b>Chapter 10: Advocacy.....</b>	<b>69</b>
Levels of Advocacy.....	69
1. Advocating for children .....	69
2. Sharing information with other parents .....	69

3. Supporting a parent in a service planning meeting.....	69
4. Participating in activities to influence how services are delivered.....	69
5. Encouraging a child to advocate for himself .....	69
Where To Advocate.....	70
Education .....	70
Medical.....	70
Social Services.....	70
The Importance of Parents Supporting Parents .....	71
Various Ways To Advocate: Home, School, and Community .....	71
Tips for Talking with Leaders .....	72
Grassroots Advocacy .....	72
Awareness Campaigns.....	73
Ways to Spread Autism Awareness .....	73

## Appendix

1. Child Find Information.....	77
Washington Administrative Code (WAC) .....	77
Early Intervention Program (Part C) .....	78
2. Washington’s System of Services for Individuals With Autism Spectrum Disorder Ages Birth To Three and Their Families.....	79
3. Special Education-Three Through Five .....	81
4. Least Restrictive Environment and Natural Environment.....	83
5. Inclusion .....	85
6. Functional Behavioral Assessment.....	87
7. Instructional Accommodations and Modifications .....	91
8. Education Best Practice Guideline Checklist .....	95
9. Implications for the Education System .....	99
10. Choosing Treatment Options .....	101
11. American Academy of Pediatrics - Clinical Guidelines on Autism .....	103
12. American Academy of Neurology & Neurology Society - Guideline Summary For Clinicians .....	105
13. Tips for Making an Oral Care Visit Successful for the Client with Autism.....	107
14. Frequently Used Terminology .....	109
15. References and Resources.....	117
16. Getting Connected: Internet and Phone .....	131
Asperger’s Syndrome.....	131
Autism Diagnostics.....	131
Autism Organizations .....	131
Autism Research.....	132
Autism Services .....	132
Books/Videos .....	132
Education.....	133
Family Support.....	133
Federal Agencies .....	134
Higher Education .....	134
Legal Assistance .....	134
National Organizations.....	134
Special Education Law .....	134
Transition .....	135
Washington State Agencies .....	135

Autism Lifespan Resource Tree and Directory
